What's "Lucha Libre"?

Literal translation in Spanish is "free fighting", but it's basically professional wrestling in Mexico. Known for it's aerial moves, grand theatrics, and colorful masked wrestlers.

What's "Lucha Libre Gourmet Taco Shop"?

We are a new taco shop located in Mission Hills, right on West Washington Street, just past India St. next to I-5.

Why the name "Lucha Libre"?

Growing up watching & loving lucha libre, we wanted to not only give a "shout out" to the entire culture of lucha libre, but also wanted a theme that fit our vibrant & exciting menu.

"Gourmet" Taco Shop? Oxymoron?

NO! By "gourmet" we don't mean pretentious & pricey. We just mean fresh ingredients, top quality meats, and funky delicious new menu items. Don't worry, we still have all the taco shop classics: cooked and priced right!
